Rainbow Trust Children's Charity – our grateful thanks

On behalf of everyone at Rainbow Trust, and especially the children and families we support, we are so grateful to the members of The Fleur De Lys Foundation for their generous donation of £500 towards Denise Muncaster's charity walk for Rainbow Trust Children's Charity. Please accept this letter as proof of receipt of your kind donation.

The past 20 months have been extremely challenging for the families we support and there is no doubt that rising covid numbers and the re-introduction of restrictions will increase anxiety levels for the families we support. These families are understandably concerned that the Omicron variant may be more transmissible and have a greater impact on their ill child's health or the health of family members and carers. Support from a Rainbow Trust Family Support Worker will help to reduce this stress and improve the overall quality of life for families caring for a seriously ill child.

"Rainbow Trust have helped us manage immensely over the last few years. Our Family Support Worker has been amazing in helping us cope with the ongoing stresses, ensured that we have got to appointments in the least stressful way possible, putting both me and my daughter at ease. Helping us cope emotionally, mentally and physically. Our Family Support Worker makes a huge difference to the way we can positively deal with our crisis and we will be forever grateful for the support we receive from Rainbow Trust." Sarah, a mum currently receiving support.

Thanks to your generous gift, Rainbow Trust Family Support Workers can continue to be there for seriously ill children and their families when they are needed more than ever.

Yours sincerely
